PERSONALIZATION

Personalization takes something special and makes it unique. Reed & Barton's in-house engraving craftsmen are ready to perfect the classic monogram, render a personal inscription to commemorate special moments, honor achievements, celebrate occasions, and create gifts that are truly unique.

Success Stories

BOSTON MARATHON TROPHY
Fourteen years ago we began our partnership with the Boston Athletic Association and Long Jewelers to create the trophy for the Boston Marathon. Each year we produce six hand crafted trophies that are awarded to each divisional winner. These trophies serve as symbols to honor the year's marathon champions as well as encourage future runners to pursue their dreams of winning.

Like Reed & Barton, the Boston Marathon is rich in tradition and history and we are honored to play a part in this most prestigious event.

STATE FARM TERRITORIAL CUP
The notorious Territorial Cup is a trophy awarded annually to the winner of one of college footballs most heated rivalries between Arizona State University and University of Arizona. In 2009 we were asked to create a new Territorial Cup to replace the original trophy that was over 110 years old. The original trophy dating back to 1899 was also produced by Reed & Barton and was certified by the NCAA as being one of the oldest awards given for a football rivalry. Reed & Barton is honored to continue to be a part of this historical 116-year college tradition.

TRAVELERS CHAMPIONSHIP CUP
The Travelers Championship is one of golf's most prestigious events on the PGA Tour. In 2011 we were proud to be selected to produce the players Travelers Cup which is awarded to the event winner. This cup is an exact replica of the perpetual trophy and features a sterling band around the base with hand engraved names of the winners dating back to 1952. Each year the Traveler's Championship produces memorable historical moments that golf fans remember for a lifetime. We are thrilled to create a trophy that represents such a memorable and historical championship.

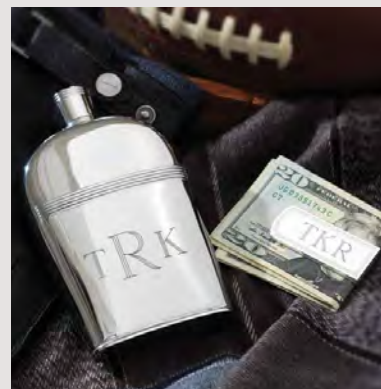

Personal Gifts

PERSONALIZE

Personalization is a great way to make any item unique and every gift special. For over 50 years, Reed & Barton has been proud to offer personalized gifts that celebrate all of life's memories and milestones. Whether it be a newborn's arrival, a christening gift destined to be an heirloom, a wedding gift that delights the happy couple, something special to recognize a birthday milestone or collecting Christmas ornaments – a tradition loved by all, personalized gifts will be treasured and saved for years because of the distinct memories they hold.

Celebrate the joy of giving with a gift of distinctive design, unsurpassed quality and made perfectly unique because it was personalized.

Embellished with a single initial or threeletter monogram, a personalized gift will forever be treasured by the special someone in your life.

Surround favorite images in classic silverplated frames. Engraving a special message or monogram ensures it will be treasured for a lifetime!
